ABSTRACT OF THE DISCLOSURE

A method for use in classifying, storage and retrieval of audiovisual

- information. The method uses the elements of a semantic description to describe arbitrary

 structure related to the audiovisual information. The method includes: (1) providing entities

 describing non-relational parts of the semantic description, the entities including a concept

 having a collection of properties of the audiovisual information, and (2) referencing one or

 more interior structures of the concept from all entities in the semantic description.
